

Town of Windsor

Memorandum

May 30, 2023

TO: The Honorable Mayor and Town Council

FROM: William G. Saunders, IV, Town Manager *W.G.S. IV*

SUBJECT: Isle of Wight County (IOWC) Energy Task Force Appointment

Background

The Town Council has the opportunity to make an appointment to the IOWC Energy Task Force.

Specifics

The task force was initiated to review the county's energy infrastructure, as well as future energy projects and technologies. The initial makeup of the task force was one member from each district of the county with two at-large members.

At their April 6, 2023 meeting, the IOWC Board of Supervisors considered a request from a Town of Smithfield Councilmember who wants to sit on the task force. The Supervisors came to a consensus whereby the two at-large members of the task force would be appointed by the towns of Windsor and Smithfield.

Members of Town Council, the Planning Commission, the Town Economic Development Authority, or other citizens would be acceptable appointments; however, town staff members would not be appropriate appointees.

The task force kick-off meeting is tentatively planned for June 5th; at this time, the meetings are expected to be monthly and held at 4 PM. The duration of the task force will be around one year.

Enclosures

None

Recommendation

For Council's consideration
