

# Town of Windsor

## Memorandum

November 8, 2018

**TO:** The Honorable Mayor and Town Council  
**FROM:** Michael Stallings, Town Manager *MS*  
**SUBJECT:** Munis Costs

In response to my request, Tyler Technologies sent us a spreadsheet that shows the amount paid to date for our Munis conversion.

Based off that spreadsheet we have \$45,939.45 remaining on our original contract of \$272,005. This includes travel expenses, implementation, conversions, forms, software, hardware, and service fees.

This is for your information.
