

Town of Windsor

Memorandum

April 12, 2016

TO: The Honorable Mayor and Town Council
FROM: Michael Stallings, Town Manager *MS*
SUBJECT: Spring/Fall Clean Ups

As you know, we typically hold a fall and spring clean up each year. In the recent past, we have discussed moving to one clean up a year. I would like Council to consider moving to one clean up day a year as the two clean ups are not as successful as they have been in the past. Having one day may be a better use of our financial resources. Each clean up day cost around \$1,000 for the actual clean up based on how much is collected. We spend around \$300 on postage for the notices as well as the staff time to prepare the notices.

This is for Council's discussion.
