

Town of Windsor

Memorandum

October 13, 2009

TO: The Honorable Mayor and Town Council

FROM: John L. Rowe, Jr., Interim Town Manager

SUBJECT: Planning & Zoning Report

I am enclosing the planning and zoning report for the month of September. There is nothing unusual in this report. For your information, since the beginning of summer we have had a private contractor cut grass, due to noncompliance with violation letters, on four occasions. In each case, we have charged the homeowner the cost of cutting the grass.

I recommend that you receive and file this report.
