Memorandum

To: Honorable Mayor and Council

From: Dennis W. Carney, Planning and Zoning Administrator *DWC*

**Subject: Update on Temporary Signs and Banners**

The Planning Commission has discussed the concerns over temporary signs and banners at both their May and June meeting. They would like the input of the business community on this matter, since they have not had any direct comments from them on their concerns. Staff will be inviting the businesses along Windsor Boulevard to attend the July 23, 2014 Planning Commission meeting and give their views on the present sign ordinance and how it could be more business friendly. From this meeting, hopefully, will come some positive input that can be placed into any reforms of the Ordinance.

Because of this approach, the Planning Commission is asking for Town Council's patience on the issue. They also urge the business community to please attend the July 23<sup>rd</sup> meeting and give their views on the temporary sign ordinance. In that manner, the issue can be properly addressed.
