

Town of Windsor

Memorandum

August 9, 2016

TO: The Honorable Mayor and Town Council
FROM: Michael Stallings, Town Manager *MS*
SUBJECT: New Public Works Utility Cart

As you know, this year's budget includes \$10,000 for a new utility cart for the Public Works Department. The State of Virginia has the Polaris M1400 on contract. I have attached an information sheet as well as a copy of the contract price to this memo. This cart will allow staff to haul more materials and tow up to 1,500lbs. This will help reduce the wear and tear on our other vehicles.

As you can see, the purchase price is \$9,935.24. Again, this is the State of Virginia negotiated contract price. The contract is with Dominion Utility Vehicles out of Bedford, VA.

I recommend that Council authorize the Manager to complete this purchase.

Recommended Motion

Move that Council authorize the Town Manager to purchase a new utility cart for the Public Works Department as presented.

POLARIS® M1400®

SPECIFICATIONS

- Fuel source - Gas (9 gal/34 l tank)
- Dry weight - 1,060 lbs (481 kg)
- Gross vehicle weight - 2,510 lbs (1139 kg)
