Re: VML 2016 Regional Suppers

Dear Mayors, Council Members, Clerks:

Greetings from Richmond! This letter is to let you know about six new VML regional suppers. All municipal officials are invited to attend these informative events that will focus on key issues for the upcoming legislative session. See the enclosed flyer for dates and locations. Simply go to www.vml.org to register online for any one or more of these suppers.

Please encourage both elected and appointed officials from your community to come to one of these regional meetings. The strength of VML lies in our members and your participation is important to our success.

All members of the General Assembly have also received an invitation to attend (at VML's expense). It is our hope that you will contact your delegates and senators and encourage their participation in one of these suppers. This is an important opportunity for members of the General Assembly to sit down with municipal officials to discuss our legislative priorities.

Please do not hesitate to contact me if you have any questions. I look forward to seeing you at one of our regional suppers.

Sincerely,

A handwritten signature in cursive script that reads "Kimberly A. Winn".
