Duke Street & Virginia Avenue Water Main Replacement

As directed by Council, the Duke Street and Virginia Avenue Water Main Replacement project was put out for rebid on January 4, 2023, with bids due by 2pm on January 31, 2023. A voluntary pre-bid meeting was held in-person on January 17th, with representatives from two firms in attendance.

Six (6) bids were received by the 2PM deadline on January 31st.

At the time of this writing, Bowman Associates consultants are vetting the bids and bidders; it is unknown whether their results will be available by the February 7th Council meeting. If not, we may present them at the March 14th meeting or potentially hold a brief work session on February 21st.
