

Town of Windsor

Memorandum

July 14, 2020

TO: The Honorable Mayor and Members of Town Council

FROM: Sanford B. Wanner, Interim Town Manager *SBW*

RE: Drinking Water and Wastewater Professionals Appreciation Day

As designated by House Joint Resolution No. 88, June 30th was designated Drinking Water and Wastewater Professionals Appreciation Day in the Commonwealth of Virginia. This is the time of year that the Virginia Section American Water Works Association (AWWA) celebrates the thousands of water and wastewater industry professionals in the Commonwealth who dedicate their careers to keeping drinking water and treated wastewater clean and free of disease-carrying organisms that can harm both humans and the environment.

The Virginia Section AWWA is honoring the Town of Windsor in admiration of the distinguished level of service that has consistently been delivered to customers throughout the connection area. While June 30th is the official day of recognition, the enclosed certificate reflects the boundless dedication of the Town of Windsor team members every single day of the year.

RE: Drinking Water and Wastewater Professionals Appreciation Day

Dear Kenneth,

As designated by House Joint Resolution No. 88, June 30th has been designated Drinking Water and Wastewater Professionals Appreciation Day in the Commonwealth of Virginia. This is the time of year that the Virginia Section AWWA celebrates the “thousands of water and wastewater industry professionals in the Commonwealth [who] dedicate their careers to keeping drinking water and treated wastewater clean and free of disease-carrying organisms that can harm both humans and the environment.”

It is in the spirit of appreciation that the Virginia Section AWWA is pleased to honor your organization, Town of Windsor, in admiration of the distinguished level of service that you consistently deliver to customers throughout your connection area. While June 30th is the official day of recognition, the enclosed certificate reflects the boundless dedication of your team members every single day of the year.

Please display this letter and certificate prominently for all employees, customers, and other visitors to see. Your utility is a symbol to your community of public health, safety, and quality of life.

We appreciate all that you have done and will continue to do to keep the water flowing.

Sincerely Yours,

James M. Cherry
Section Chair
Virginia Section AWWA

Inc: Certificate of Appreciation

American Water Works
Association

Virginia Section

CERTIFICATE OF RECOGNITION

This Certificate is Proudly Presented to

Town of Windsor

*In honor of Drinking Water and Wastewater Professional Appreciation Day,
we recognize the water industry professionals in the Commonwealth that dedicate
their careers to keeping drinking water clean and safe.*
