

FREE COVID-19 TESTING

The Western Tidewater Health District is offering
FREE COVID-19 testing to residents.

This test determines whether or not you have COVID-19 at the time the test is taken.

- Residents will receive their results 3-4 business days after being tested.
- Those with positive results will receive a phone call from the Health Department.
- Those wishing to be tested are asked to bring a picture ID.
- Anyone can be tested regardless of if they have symptoms or not.
